TRIVIA BROADCAST

[WWW.QUIZNIIGHT.NL](http://www.quiznight.nl) * [WWW.PUBTRIVIA.COM](http://www.pubtrivia.com)

WHERE CAN I PLAY?

The Live Pub Quiz will be broadcasted through our websites www.quiznight.nl and www.pubtrivia.com. We support all devices, including ChromeCast (we are still working to get it working on AppleTV).

DO I NEED TO REGISTER MY TEAM?

No, just visit one of our websites on the scheduled day and time. You can either play on your own, or form a team with family members and/or friends (set up a conference call through Skype/WhatsApp etc.)

WHAT TIME DOES IT START?

The broadcast starts at 20.25 hours (8.25 pm) - every Wednesday.

HOW DO WE (I) ANSWER THE QUESTIONS?

You can either print out the answer sheet pdf (tiny.cc/brightsdnload), or use the on-line answer sheets through Google Forms (links below). When using the Google Forms option, please use only one answer sheet per team, and the required answer sheet for each round (do not forget to type your team name and email address on every single answer sheet!).

When using the Google Forms on-line answer sheets, you have one minute after the final question of each round to send in your answer sheet. After this minute the answer sheets will be locked and can't be sent any longer.

WHY DO I NEED TO TYPE IN MY EMAIL ADDRESS?

By typing your email address, the answer sheet is automatically send to your e-mail address - this makes it easy for you to share it with your team mates!

WHAT DOES IT COST TO PLAY?

We would really, really appreciate it if you donate the entry fee you usually pay to play in our pub quiz by clicking on one of the buttons on our website. This way we can keep Pub Quiz Broadcast up and running as long as needed. This also gives us the opportunity to give away some prizes for best team photo, best team and/or favourite guilty pleasure.
